It only takes one bite of Grandma Hoerner's to taste the difference.

GRANDMA HOERNER'S™

The difference? It is so chunky you can eat it with a fork.

Candy **APPLE SAUCE™**

Grandma's Candied Apples are Back!

Only a touch of added sugar!

Our Candy Apple Sauce™ is reminiscent of a bygone era. County fairs, candied apples, and old fashioned memories that gladden the heart. We make ours the way Grandma Hoerner did back in the late 1800's with big slices of fresh apples. Kids of all ages will applesolutely love our Candy Apple Sauce™.
